

Cyprus welcomed and hosted a Kuoni Golfreisen Golf Fam Trip from Austria in a collective effort of all four golf courses, the Cyprus Tourism Organisation and the hotels to promote Cyprus as a Golf Tourism Destination.

During the five day program, participating Kuoni Golfreisen Golf Pros, Club Managers and press, played golf in all four golf courses, and enjoyed the island's gastronomy and hospitality.

The Cyprus Tourism Organisation (CTO) thanks Kuoni Golfreisen-Austria for visiting Cyprus, and all four Cyprus Golf Courses -Aphrodite Hills, Eléa, Minthis Hills, Secret Valley- and Hotels -Columbia and Aphrodite Hills - for the kind hospitality.

One day was a special "Golf, Wine & Dine" experience: After the 19th Hole, golfers enjoyed a surprise visit to a local winery followed a fish-meze at the Pafos harbour, offered by the Cyprus Tourism Organisation.

The ultimate aim of Kuoni Golfreisen Golf Fam Trip, was to introduce the island's golf product, especially during the winter -the ideal season for Golf Holidays- in order to sell golf packages and promote Cyprus as a Golf Tourism Destination.

Excellent comments were expressed for the quality and variety of the golf courses, hospitality and professionalism of golf tourism stakeholders and of course for the island's winter sun.

Cyprus is indeed a paradise a Golfer's Paradise!!!

And a must visit Golf Destination !!!
